## PROJECTS

**TaskFlow** | Node.js, Express, REST API github.com/Rajveerrsingh/Taskflow

- Led a task and project management app with an Express REST API, user auth, and 18 automated tests.

**ShiftSync** | C#, ASP.NET Core 8, Entity Framework Core, SQL github.com/Rajveerrsingh/ShiftSync

- Built a retail shift-scheduling web app shaped by real needs from leading retail sales teams.
- Secured with JWT auth, EF Core data layer over SQL, and verified by 33 xUnit tests.

**keel** | Java 21 github.com/Rajveerrsingh/keel

- Built a Redis-compatible in-memory key-value server from scratch on RESP2; works with redis-cli.
- Virtual-thread concurrency, TTL expiry, AOF persistence + snapshots; 47 tests, ~700k ops/s pipelined.

**StackProof** | React, TypeScript, Node.js, Express, MongoDB github.com/Rajveerrsingh/StackProof

- Developers log shipped projects to earn XP and a proof score, with shareable public profiles.
- Full-stack build with JWT authentication, covered by 27 tests.

## WORK EXPERIENCE

**Sales Lead — Famous Footwear** Jun 2025 – Present

- Supervised daily operations and delegated tasks across a team of 8+, maintaining efficiency during peak retail periods.
- Trained new hires on POS systems and procedures; resolved escalated customer issues under tight time constraints.

**Sales Lead — Aldo Group** Oct 2023 – Jun 2025

- Promoted from associate to Sales Lead based on consistent performance, reliability, and product knowledge.
- Led shift operations and coordinated team assignments to maintain high service standards and meet daily store targets.

## EDUCATION

**Advanced Diploma — Computer Programming & Analysis** Aug 2023 – Dec 2026 (Expected)
